I grew up watching football on TV and even got to see a few games live. I dated several ball players and fucked every one of them. Now it's time I take my talents to pro ball. Dating a pro quarterback is fun, but I don't know how I feel about all the paparazzi always buzzing us.

When I moved into my new condo, it was a relief to get away from the situation I'd been in. My (former) girlfriend and I had been at odds for months, and it seemed best just to call it quits and move on. My new neighborhood was nice, with lots of trees, a big green space in back, and a communal vegetable garden. It would be restful and quiet, I hoped—a welcome change from the last six months.

My first night in the new condo, I was surrounded by boxes and didn't know where anything was. Extremely tired, I decided to skip dinner. A knock on the door surprised me. I opened to find a girl holding a big pot. Great, I thought, the neighborhood welcoming committee has sent over a casserole.

"Hi, I'm Karen, your neighbor. Thought you might be hungry after the move."

I was hungry, and for more than dinner. But I figured the cute redhead was probably straight.

"As a matter of fact, I am hungry." I tried not to wrinkle my nose at the thought of well-meant but boring tuna and noodles. "I don't know if I can find plates, but I'll manage something. Thanks. And my name is Rose."

Karen stood there as if she were waiting to be asked to sit down, but finding an empty seat would be difficult. "I saw the rainbow sticker on your car. I want you to know that you have friends here."

"Friends?"

"Yes. Most of us here in the complex are gay. No one planned it. It just happened." She laughed. "If you aren't attached, you won't have to spend many nights alone, unless you choose to."

"You will stay for dinner, won't you?" I asked, clearing the kitchen chairs and table.

As soon as we finished the paella (it wasn't tuna and noodles!), Karen set to helping me put things away. We chatted and laughed as she helped me hang up clothes and unpack. The movers had set up the bed. Karen flipped half of a fitted sheet across to me on the other side. As soon as we had it tucked in, she said, "Lie down, Rose. You're surely exhausted from the move. I know just the thing—a body massage."

Karen's hands were soothing; I stretched out and let her work. First, she tackled my tight back and shoulders with the hands of a magician. Instantly the tension and fatigue began to dissipate. She worked lower, on my hips and waist, and of course I was soaking wet at the intimate touch of a girl. She worked the back of my legs, down my calves, and I was shuddering in anticipation. But this might be merely a friendly gesture, not sexual, I thought, so I tried to restrain my impulses.

"Turn over," Karen said, and I happily complied. She'd somehow slipped off her jeans and black T-shirt and was wearing only a pair of skimpy blue panties. When she leaned over to me, her full breasts brushed against mine, and I was out of my jeans and bra in an instant.

She was still massaging my shoulders and upper arms, but by now I was ready for a full massage of a different sort. When I pulled her to me and kissed her, her hands kept working over my body, kneading my breasts and sucking my nipples as I fondled hers.

I don't know who was getting massaged at that point. We were both all hands, exploring

She'd somehow slipped off her jeans and black T-shirt and was wearing only a pair of skimpy blue panties. When she leaned over to me, her full breasts brushed against mine, and I was out of my jeans and bra in an instant.

and touching, and trying to hold back touching each other's pussy. It was only an instant more before she was in mine and I in hers. Her warm wetness was incredibly welcoming to someone who hadn't had sex in at least half a year. My heat flared up as she nuzzled my neck and massaged my clit.

"Oh yes, oh yes, that feels so good!" I was dripping wet and aching for her to lick me, but she inserted her fingers inside my pussy and thrust in and out with such strength and fullness that I nearly took off right then.

There was no doubt, she was expert at this and held me back until I was even higher, circling my hard nub, rubbing around it, and finally parting my lower lips and tickling the tip with her tongue. Even as tired as I was, it took only a few seconds of her powerful sucking to bring me to climax. I was so ready, so needy for the touch of a woman, that I convulsed in wave after wave of contractions.

And I was just as ravenous for her salty taste as I had been for her to fuck me. I explored all of her warm creases, her secret places, her oozing wetness, nibbling up and down her folds, until I settled on her stiffened nub and sucked her to orgasm. She responded by moaning and contracting over and over. Welcome to the neighborhood, indeed!

The next day I was still unpacking and putting things away when I again heard someone at the door. A close-cropped blonde in tight shorts and a tank top said, "Hi, I'm Carol. I wanted to introduce myself."

"Hi, Carol. I'm Rose. Come on in." At least the place didn't still look like a garage sale, thanks to Karen's help.

"You've made a lot of progress already getting things organized."

"Yes," I said. "One of the neighbors, Karen, came over last night and helped me. I couldn't have gotten this much done without her."

"Oh, so you've met Karen. You have to be very careful with her. She'll take advantage of you. You should have seen what she did to me the day I moved in, with her 'Oh, let me give you a massage' routine."

"Oh? She wasn't helpful to you?" I thought how Karen's massage had given me the best sleep I'd had in months, not to mention the best orgasm I'd had in years.

"Oh, she's helpful all right," Carol sniffed. "But she's helpful to everyone like that."

Clearly there was a little jealousy going on here. I had no interest in causing anyone to get upset, so I said, "I'm going to make us some iced tea. You can tell me about the people who live

here. All Karen said was that a lot of gay girls live in the complex. How did I get so lucky?"

"Yes, we have a lot of interesting parties and things going on. Everyone is quite friendly, but Karen seems to take being friendly to extremes."

Carol sat on the newly unearthed sofa with her legs slightly apart and her tank top ready to spill out its contents. I thought for a moment as I stared at her that she shifted her legs even farther apart. As I handed her the tea, I couldn't help notice that her nipples were erect.

"Sit here by me," Carol said. "I want to get to know you." She had only to ask. I was next to her in an instant, as she crossed her legs on the sofa and let me peek at a fringe of curly hair and a pink fold at the crotch of her shorts. I was probably visibly drooling at this point.

I hardly knew what would happen next. Carol put her hand down between her legs and pulled over the fabric of the shorts so that I could see just about all of her lush, moist glory. She put her fingers on her clitoris and began manipulating it, as I sat there with my mouth gaping.

"Would you like a little help with that?" I asked her.

I explored all of her warm creases, her secret places, her oozing wetness, nibbling up and down her folds, until I settled on her stiffened nub and sucked her to orgasm.

"Yes, if you like. I seem to have an itch that I can't quite reach. Maybe you can."

I moved over to her and placed my own fingers on her flushed, dripping pussy. She held the black fabric of her shorts to one side as I manipulated her clit and probed her curled folds and creases. I was just able to insert a finger into her waiting hole and wiggled it back and forth.

From a pocket she produced a mini-vibrator and handed it to me. "Put it inside me," she said, "and pull on my clit."

The tiny rocket took off up inside her and I rubbed, rolled, and tugged gently on her scarlet nubbin. Her eyes were closed and, tank top

raised, she was twisting her own nipples, moaning and panting. As her breathing became shallower, she seemed to grind down against the vibrator.

"Faster, faster," she pleaded, as she came closer to getting off. I rubbed her clit as fast as I could as she began jerking and twitching, screaming out, "Oh, god, more, harder."

Finally satisfied, she unbuttoned my shirt and began kissing my breasts and sucking my nipples, reaching down inside my pants without unzipping them at first, but then lowering the zipper until she could put her hand inside my panties and work her way down to the flooded flesh awaiting her.

When she inserted her finger, it drove me wild. I was aroused from watching her touch herself, and her fingering me pushed me even higher. She continued to touch and probe inside my panties, until she couldn't get in as far as both of us wanted her to, so she pulled my jeans down to my hips.

Carol placed the small but powerful vibrator against my clit, and my reaction was nearly automatic. With her fingers up my pussy and the little vibrator kneading my clit with powerful, even sensations, I couldn't wait a second more and erupted into spasms and contractions.

It was incredible. I climaxed over and over, each contraction seeming stronger than the last.

When Carol left, I began to wonder just what sort of place I'd moved into. Were all the neighbors this friendly?

It was early evening and I was outside look-

ing over the garden spot in back, contemplating planting something in the space allotted to me, when I heard a car pull up. A girl emerged from a Jeep carrying a tray of plants. "Hey," she yelled to me, "do you want to help me put in these tomatoes? Think of all the great salads we'll have later this summer."

She was handsome, maybe in her late twenties, and her stylish hair and hot-looking smile told me she was probably another dyke. I certainly hoped so.

"Sure, why not? But I don't think I can find my garden tools yet. I'll have to use yours."

"And after we plant, I'll bring over supper."

"Great," I said. "You probably need to know the name of the person who's about to handle your tomatoes. I'm Rose."

"I'm Gail. And, thanks, because I can't let just any stranger handle my tomatoes. I'm a little fussier than that."

Watching her bent over the rows of dirt planting vegetables, now changed into shorts so that I was watching her ass, made me wonder if I would be welcomed to the complex yet again, but I didn't have to ponder it long. She said, "Let's get washed up and have dinner."

She appeared at my door five minutes later bearing a basket that made it look like she'd cleaned out the deli. I'd set plates on the coffee table in front of the sofa. Let's skip dinner, I thought, and get right to the welcoming part. Gail had changed clothes into a pair of light green lounging pants with a matching low-cut top that tied just under her breasts.

"I've met Karen and Carol already. Everyone seems to be friendly here."

Tearing off a chicken leg and reaching for a piece of focaccia, Gail said with a sniff, "Oh, those two. They've always got to be first when someone new moves in. They may have been first, but I," she said as she undid the tie of her blouse and loosening her full breasts, "am definitely a shade above that. I know how to really make you feel welcome here."

Gee, why did I wait so long to move? I was going to like it here a lot.

With her fingers up my pussy and the little vibrator kneading my clit with powerful, even sensations, I couldn't wait a second more and erupted into spasms and contractions.

the slut on the other side of the wall drove Rachel into her best friend's bed... and a new bi lifestyle!

Carol and I were upstanding young Southern belles, so we were unprepared for living next door to Dana, Criswell Hall's biggest slut. Each night our sleep was interrupted by her cries of joy. "God yeah, give me that cock!" and "Work my pussy, baby! Yeah, work that pussy!" cut through the thin walls like a hot knife, leaving us bleary-eyed every morning at our classes.

At first, we didn't know which was worse, getting our sleep interrupted or feeling embarrassed by what we were listening to, but either way we were very unhappy about having that little tramp next door to us. But as my mama always told me, every cloud has a silver lining. Thanks to Dana, Carol and I have discovered a neat new world!

The night of the homecoming game, Dana had yet another football player in her room, and as usual they were fucking like hound dogs in heat. Her bed banged against the wall with each of his thrusts, rapping in time with her loud groans as he had his way with her. I had the worst of it. Since my bed was on the common wall I shared with Dana, there was no way I was going to get to sleep! Finally Carol suggested I get into her bed.

"This is neat!" she said as I crept under the covers with her. "It'll be just like those slumber parties we used to have!"

Carol is always cheerful, even when she's got a screaming slut for a next-door neighbor. That's why we've been friends for as far back as I can remember. We're true opposites. With her slender figure, long blonde hair, and pale skin, Carol looks almost like a porcelain doll. I was always chubby until I turned 18, just a few

months ago; then my baby fat metamorphosed into something much more attractive. While my firm curves and jiggling 34D breasts were starting to get me noticed on campus, I was still envious of Carol's good looks and her extroverted personality.

"Yeah! Give me that cock! Give me that big hard cock!" Dana suddenly yelled on the other side of the wall.

"Now, that is not like our old slumber parties. That is so disgusting," I said. The football player began pumping harder, and Dana's bedsprings squealed as loudly as she did. I tried to ignore the dampness in my crotch.

"Totally," Carol said, as she pressed her body against mine. "She is such a slut."

"Oh god, baby, it feels so good. Oh yeah ohh-hhhh..."

"You shouldn't be listening to this," Carol said, laughing as she covered my ears. "You're still a virgin." I could feel her hard nipples through the sheer fabric of her negligee. I nestled back against her, the touch of her breasts against my back making my pussy even wetter. When she moved her hand away from my face and brushed against my breasts, I realized that my nipples were just as hard as hers.

"Yeah, fuck me harder, baby, fuck me harder."

"It sounds like she's having fun."

I gasped, giggling. "Carol!"

"My last boyfriend couldn't go longer than three strokes without coming. At least it sounds like this guy knows how to fuck."

I blushed. "You mean you've...done it?"

Carol shrugged. "It was no big deal, Rachel.

I could feel her hard nipples through the sheer fabric of her negligee. I nestled back against her, the touch of her breasts against my back making my pussy even wetter.

It wasn't even that good. I get more satisfaction out of playing with myself."

I giggled again. "You are so bad, Carol."

She ran her hand gently over my breast. "I know you like to play with yourself. I've heard you rubbing your pussy plenty of nights."

I went from red to crimson. "Carol!"

"It's okay. Everybody does it." She tweaked my nipple between her fingers. "It feels good, doesn't it?"

I bit my lip to keep from crying out with pleasure as Carol played with my nipple.

"Yeah! Fuck me, baby! Fuck me!" Dana yelled. Her boyfriend grunted something in reply as Carol's other hand found its way between my legs.

"Doesn't it feel good when you stroke your clit?"

She reached inside my blue cotton panties and gently tickled my glistening pearl with her fingertip. I purred with the waves of pleasure and snuggled against her as Dana yelled, "Pound my pussy! Pound my pussy!"

"My last boyfriend would poke around all over the place, but he could never find my clit. I was like, 'Excuse me? How could you not see my clit?'" She pressed her finger between the folds of my furry crevice, stimulating the lips and then running up to my swollen love bud. "You never have any problem with finding your clit, do you, Rachel?"

"No," I said, shuddering at the sensation of my best friend's finger rubbing my virgin pussy. Nobody had ever touched me there, no one but myself. All my upbringing said I should stop her. Of course, my upbringing hadn't stopped me from playing with myself—and her finger felt so much better down there than mine did. So instead of following my conscience, I closed my eyes and lay motionless as she pulled down my dripping panties.

"Ohhhhhh! Yeah! Ohhhhhh!" Dana groaned. I barely heard her. The only thing on my mind was Carol's hand as she traced the outline of my pussy-lips with her fingertip, then slid one finger into my sopping wet hole.

"Yea...yeah..." I whispered between clenched teeth, my hips rocking as Carol gently fucked me with her hand. My pussy clenched vise-like around her; I could feel the outline of every inch of her finger as she tickled my G-spot.

"Yes, god, yes! Yes!"

This time it wasn't Dana screaming; it was me. Carol kissed my ear as she pressed on my clit with her thumb. I turned to meet her face, and our lips touched. Before this, my only other kiss had come from my geeky prom date. Where

he had been rough and clumsy, Carol was gentle. Her mouth felt soft against mine as her lips brushed against my chin. He had tried to thrust his tongue in my mouth immediately; Carol gently parted my lips, teasing my mouth with the tip of her tongue as she continued finger-fucking me.

"You like that, don't you?"

Carol pulled up my bunny T-shirt to reveal my newly curvy body. I ran my fingers through her long, soft blonde hair as she nibbled at my breasts.

"You have such nice boobs, Rachel," Carol said between kisses. "I've wanted to do this since summer camp."

"Really?"

In response, she took my rosy nipples in her mouth and teased them with her teeth. My geeky prom date had pawed me till he left bruises and tore my favorite bra. Carol, on the other hand, knew exactly where to touch me to make me feel good. Her mouth felt so nice as she licked my nipples, flicking them with the tip of her tongue and then running a trail of sharp, hard kisses about the full,

She pressed her finger between the folds of my furry crevice, stimulating the lips and then running up to my swollen love bud.

flushed areolae and over the soft white skin.

"Oh yeah," Dana moaned again as her bedsprings continued creaking. Carol's finger slid in and out of my pussy while she explored my breasts with her mouth. Suddenly there was a flash of discomfort as Carol tried to fit three fingers into my virgin pussy; my moans became a sharp cry.

"I'm really tight down there," I explained, blushing as Carol pulled her hand away.

"Did that hurt? Well, I'm just going to have to kiss it and make it all better."

My heart was pounding as I felt her hot breath on my thighs. She parted my legs, leaving my hot pussy open and exposed to her mouth.

BLAIR-NTS-10

Dana cried out again just as Carol gently kissed my inner thighs and licked the droplets of dewy love-juice soaking my thick bush.

"Mmmm...you taste so good, Rachel."

"Ohhh...yeah. Rest a while, baby," Dana purred loudly to her football player.

Carol, on the other hand, went to work fast and furious, teasing the swollen lips and throbbing clit with her talented tongue. I moaned loudly, arching back to grind my pussy into her eager face. The air was filled with the hot fragrance of my arousal as Carol sucked at my pearl. I clawed at her shoulders, pulling up her negligee. She paused long enough to let me yank it over her head and toss it to the floor, then re-

bubble-gum-pink pussy-lips. The musk of her sweet young pussy blended with mine and permeated the room with the hot smell of sex.

If the smell was intense, the taste was even more intoxicating. I growled like an animal as I thrust my tongue deep inside her. She grabbed me, shoving my face against her open hole as I lapped furiously at her hairy slit and pouty lips.

"Oh yeah, Rachel, yeah, that feels so good,!"

"All right!" I heard Dana's football player exclaim. Dana said something in response but I couldn't hear it; Carol's legs were wrapped tightly around my ears as she rubbed my face with her throbbing, nearly thumb-sized clit. I

caressed her hot pink bud with my lips and licked it hard, digging my nails into her soft legs as she bucked and writhed.

"Yeah, oh yeah, lick me, Rachel, lick me."

I wrapped my legs around hers and began humping her thigh as I gave her pussy a tongue-bath. The friction of her soft flesh pressing against my blood-engorged pussy combined with her musky scent and the salty-sweet taste of her dripping

pussy drove me to new heights of burning lust. Carol trembled in time with my lapping tongue, grinding her knee into my pussy as her orgasm began. The added pressure sent me over the edge, and we came together in a tangled mass of sweaty, screaming, satisfied female flesh.

And that's how Carol and I first decided we were bisexual. We're pretty open about it on campus. At first some people were shocked, but it seems most guys don't have any problem with bisexual girls...especially not when they're looking for a threesome. Carol and I have played with a couple of jocks (we seduced Dana's football player the next weekend; she hasn't spoken to either of us since), but we've been reserving most of our attention for each other. Guys are nice...and after Dana's football player got my cherry, I discovered that sometimes there's nothing like lying on your back with your legs in the air while a big, stiff cock stretches out your pussy...but Carol's tongue and fingers get me off quicker than any boy I've found yet. Carol has been my best friend for as far back as I can remember; since that night, she's been my best lover as well.

turned anew to licking.

With expert strokes she coaxed my little boatman from its hood, then pressed on it gently with the flickering tip of her tongue. The feeling of my best friend's mouth on my pussy was like nothing I had ever experienced before; electric ripples of joy sparkled through me. When she embellished her oral work by sliding her skillful finger deep into my hole, it sent me over the edge, and the electric ripples rose into a screaming, shuddering orgasm.

"What's going on over there?" I heard Dana ask her football player as the exploding lights receded and I slowly returned to earth. I didn't hear his answer but I didn't really care; the only thing that mattered to me right now was pleasing Carol like she had just pleased me. The musky tang of my pussy on her lips as we sat kissing made me wild with desire. I threw her back onto the bed with one hand and with the other ripped off her panties.

"You're awfully excited," Carol giggled.

I threw her legs open, parting her sparse blonde thatch of hair and exposing her moist,

Do you guys want to see me get fucked in the ass? I know you do. Well, I'm going to oblige you tonight. I'm going to get me a cock and suck it hard, and then stick it in my pussy, and finally I'll let him shove it up my ass. Since I'm small and his cock is big, I think it may hurt for a minute, but after that's done, I'm going to love it. And how's this all going to end, you may ask? You'll have to use your imagination!

JAZZ & RON

Jazz makes the coolest noises when she gets fucked. Then they turn into animal noises as she gets fucked. But it's not just her noises that are a turn on, she's a great fuck and screws her man to completion. Truly a sight, and sound to behold, so grab hold and behold.

JUST A DOWN AND DIRTY FUCK
